Summary for the Chapter:

Today we'd like to bring you the inside scoop on several of Weyard's best-known heroes -- The Warriors of Vale!

Ah, the heroes of Vale in their youth! One imagines they were quite ordinary as far as magical children go.

This magically-inclined upbringing meant that some of them had a more... friendly attitude towards djinn than others. And by friendly we mean 'wanting to squish it and hug it and never let it go.'

Some of the others, meanwhile, grew up hearing of magic and heroes mainly in stories -- giving them a rather rosy impression of what a quest was supposed to be like.

More of our inside story on The Warriors of Vale at ~~eleven~~ never.
